ABOUT WELLSPRING

Cancer diagnoses in Canada continue to rise, and behind every number is a person navigating an experience that can feel deeply isolating. While oncologists and healthcare teams provide exceptional medical care, the physical, emotional, psychological, and practical impacts of cancer often go beyond what the healthcare system can address.

For many, the challenges don't end when treatment does. People living with cancer—and those who care for them—often face ongoing symptoms, anxiety, uncertainty, physical limitations, and financial strain, all while trying to rebuild their lives.

That's where Wellspring steps in.

Wellspring provides a vital continuum of support that strengthens the mind and body, helping people live well with, through, and beyond cancer. All programs and services are offered free of charge, and no referral is required—ensuring there are no barriers to access.

For more than two decades, the dedicated team at Wellspring Birmingham Gilgan House has supported tens of thousands of individuals and families in the Halton region, helping them navigate cancer's challenges and move forward with confidence and connection.

As we step into the next chapter, your support of the Nine, Wine and Dine Golf Tournament helps ensure that this essential care continues to be available to everyone who needs it.

Because Wellspring receives no core government or hospital funding, events like this are critical—sustaining programs today while building a stronger, more supportive future for those affected by cancer.
