ABOUT WELLSPRING BIRMINGHAM GILGAN HOUSE

For 25 years, Wellspring Birmingham Gilgan House has been a beacon of hope, strength, and community for individuals living with cancer and those who care for them. As a proud leader in cancer support programs that enhance the quality of life for those affected by cancer, Wellspring continues to set the standard for compassionate and innovative supportive care.

As a charitable organization with no government or hospital funding, we rely entirely on the generosity of donors, grateful cancer survivors, event participants, and sponsors like you to ensure our programs remain accessible, free of charge, and responsive to the evolving needs of those we serve.

Every day, lives are transformed at Wellspring — where individuals facing cancer find not only programs that strengthen their body, mind, and spirit, but also a community where compassion, empowerment, and respect are at the heart of everything we do.

Together, with your support, we honour our legacy and help shape the next 25 years of life-changing care at Wellspring Birmingham Gilgan House.
