WELLSPRING, CANADA'S SOURCE FOR CANCER SUPPORT

Cancer can be an incredibly difficult and isolating experience. While hospitals and healthcare professionals excel at treating the illness, the emotional, mental, and practical challenges of living with cancer often remain unmet. Many individuals feel lost and vulnerable, even after their treatment concludes, facing emotional distress, financial struggles, and physical limitations.

Wellspring steps in to fill these gaps, providing essential supportive care programs that nurture the mind, body and spirit, while improving the quality of life of those living with cancer.

We invite you to join us as a sponsor at this year's Harvest Festival, where your leadership will be celebrated as part of a community dedicated to healing and supporting cancer patients and their families.

Your sponsorship will directly benefit the 10,000 people who will turn to Wellspring this year, seeking life-changing programs that help them navigate and overcome the challenges of cancer.

Because Wellspring receives no government or hospital funding, events such as the Harvest Festival help ensure that essential supportive care remains available to every Canadian in need. As a sponsor, you will be helping to bring about enduring change.
